

Parchment Paper Cookbook Winner!

Giveaway: Parchment Paper Cookbook Winner!

by [Lily](#)

Thanks to everyone who entered our Parchment Paper Cookbook giveaway! We loved hearing about all your kitchen messes...and it made us feel better about our own. But there can only be one winner.

Congrats to **Kristen**!

Here's what **Kristen** had to say: *I made red sauce and left it simmering on too high of a heat without a cover... needless to say it boiled over and splattered all over the nearby walls. Awful mess.*

I think it's fair to say that's happened to the best of us. Shoot us an email to claim your prize and get back in the kitchen!

And as always, stay tuned for more great giveaways right here at Small Kitchen College.
