## DESCRIPTION

## Muffin Tins—They're Not Just for Muffins Anymore

There's nothing you can't make in a muffin tin—and we're not talking merely muffins. All you need is a muffin tin, paper liners, and this ingenious, one-of-a-kind cookbook, and you can whip up delicious dishes that are as easy to prepare and serve as they are good to eat!

From quick-serve appetizers and sides to gourmet entrees and desserts, you'll find an amazing variety of mouthwatering options for your dining pleasure, including:

- Shrimp Cakes with Cilantro Lime Dipping Sauce
- Egg Crescent Pockets
- Deep-Dish Pizza Cups
- Cornmeal-Crusted Mustard Chicken with Sweet Potato Coins
- Duchess Potatoes
- Zucchini, Corn, and Tomato Cups
- Mini Ice-Cream Cakes

The best part (besides the tasty goodness!): It's fast, easy, mess-free, and provides built-in portion control. Kids will love to help you make them—like cupcakes, only better for your family!—and leftovers are as easy as popping the muffin-meal into the microwave.

It just doesn't get any better than *The Muffin Tin Cookbook* . . . your next memorable meal is just a muffin tin away!

## REVIEW

*The Muffin Tin Cookbook* is full of delicious and easy recipes that kids and grown-ups will love. And as an added bonus for anyone watching their calories, this is a perfect way to control your portions and the book contains nutritional information for every recipe as well.

~ Brian Groce
