## The Organized Kitchen Free E-Book

If you're like me and in need of ideas or suggestions on how to organize your kitchen and pantry be sure to get this **free The Organized Kitchen by Brette Sember e-book**. Reminder that the price can change anytime so be sure to take advantage of this free ebook while it's available.

From aprons to zesters, this book provides an A-Z of simple shortcuts that will make all the difference, including:

- Shelf and storage strategies
- Five-minute kitchen feng shui
- When to clean what—with what
- The right tools for the right tasks
- The truth about freezing food
- Meal plans that really work
- Ten foolproof, must-know recipes—with endless variations
- The good-enough stocked pantry
- Leftovers you'll really want to eat

With tips and tricks from master chefs (think Julia Child's pegboard) and real-life home chefs (think Grandma's ingenious pasta pots), this is the only kitchen/food/life organizer you need to streamline your kitchen—once and for all!

Brette Sember, the author of *The Parchment Paper Cookbook* and *The Muffin Tin Cookbook*, is the owner of the blog [www.MarthaAndMe.net](http://www.MarthaAndMe.net), where she informally apprenticed herself to Martha Stewart for a year and reorganized her entire kitchen and other areas of her home, based on Martha's advice. She is a member of the International Association of Culinary Professionals, and the American Society of Journalists and Authors; she was also the recipient of a Mothers at Home Media Award and a Ben Franklin Award finalist.
