It is no surprise to anyone who visits here on a regular basis that I am a big fan of muffins. I have over 20 recipes for muffins on this blog alone! So when I was contacted to see if I was interested in reviewing a new cookbook called [The Muffin Tin Cookbook](#) I was all over it!

This cookbook is so much more than just muffins! Brette Sember, simply uses the muffin tin to prepare some of your favorites. Everything from Nachos to Pizza to a Trifle, this book has you covered. There are a few traditional muffins thrown in too 😊 But seriously, this book has 200 recipes all using your muffin tin!

I love a cookbook that has the nutritional information. This offers that for each recipe. And when you are making something in a muffin tin, you know the exact serving size. So you have built in portion control (kind of a must for me).

I tried the Asian Dumplings. This is such a fun idea. I do think the meat needs more flavor though. I would definitely add more soy sauce, and maybe even some chili garlic sauce or Sriracha for some heat. But the idea of making these in a muffin tin is wonderful!
