

New Book for New Parents

Pregnancy is a time of great change. Watching the belly grow and getting the nursery ready are exciting milestones. However, "Pregnancy is about more than doctor's appointments and layettes," says Brette McWhorter Sember, retired attorney and author of "Your Practical Pregnancy Planner: Everything You

Need to Know About the Legal and Financial Aspects of Preparing for Your New Baby" (McGraw-Hill, 2005, \$14.95).

"Pregnancy is a time of new responsibilities and choices, legally, financially and practically. Expectant parents have a lot to prepare for and many parents are simply unaware of the many decisions they need to make. My goal is to help pregnant moms and dads get organized during pregnancy and make informed decisions."

Sember's new book offers expectant parents month-by-month advice on a variety of topics, such as their rights, finances, organization and health. To order your own copy, log on to www.amazon.com or visit www.brettesember.com.

Giveaway:

To receive a copy of Brette McWhorter Sember's "Your Practical Pregnancy Planner," please send a postcard to Heather Boltz, Baby Guide Practical Pregnancy Giveaway, 101 N. Second St., 2nd Floor, Harrisburg, PA 17101, or e-mail heatherb@journalpub.com. One winner will be selected on or before June 1, 2006.
