The 200 Best Illustrators worldwide  
Lürzer's Archive

The 200 Best Illustrators worldwide features visual stimuli from leading illustrators whose work has won the Society of Illustrators' Annual Gold & Silver awards, among other honors worldwide. This top shelf book is a compilation of the remarkable work of such leading illustrators from across the globe as Anita Kunz/Canada, Fumihiko Gotou/Japan, and Brad Holland/USA.

The Complete Gay Divorce  
Newman Communications, Inc.  
Author: Brette McWhorter Sember

Although gay wedding books seem to be on every bookshelf these days, this is the first title to explain the process of ending a gay relationship. Just like straight couples, gay couples do break up! And because most gay couples have no formalized union at all, The Complete Gay Divorce explains your rights when you end a non-legalized relationship, and how to apply them.

Olivier  
Henry Holt and Company  
Author: Terry Coleman

Olivier played nearly every role in existence. And yet Olivier remained as mysterious in life as he was on stage, skilled at shifting his identity and obscuring who he truly was. Now, based on exclusive and unrestricted access to Olivier's estate, and authorized by Olivier's family, award-winning journalist Terry Coleman reveals the man behind the legend with Olivier, a mesmerizing new biography complete with photographs from both his personal and professional lives.

A People's History of the Mexican Revolution  
The New Press  
Author: Adolfo Gilly

By the end of the revolution, Zapata was assassinated, Villa was defeated, and a bourgeois government was in power, but the rebellion was not without its victories. Gilly's seminal work serves as an essential reminder that the Mexican Revolution provided the starting point for the socialist uprisings of the twentieth century, with reverberations still felt through social justice movements in Latin America and the rest of the world.
