

Frugal Gift Guide Review and Giveaway: Cookie: A Love Story: Fun Fact, Delicious Stories, Fascinating History, Tasty Recipes, and More (E-Book)

Posted on [November 13, 2012](#)

Who doesn't love Cookies? I love cooking and baking. Lil' Man and I bake together. Being only 19 months old, he helps mostly by sitting on the counter and throwing chocolate chips or raisins into the mixing bowl.

And, of course, he helps mommy eat the cookies.

Being a baker and a history nerd, I was super excited when Brette Sember, the author of Cookie: A Love Story: Fun Fact, Delicious Stories, Fascinating History, Tasty Recipes, and More contacted me to review her e-book.

— Cookie Cookie Cookie starts with C!!!

You can read about it at www.CookieALoveStory.com.

This full-length ebook includes:

- Why we are physically and psychologically programmed to love cookies
- How cookies were invented and how they evolved
- How history has affected the development of cookies (the Industrial Revolution, colonization of America, world wars, and our changing dietary needs have all affected the cookie and been affected by it – an amazing interplay!)
- State cookies, official cookie days, the world's biggest cookie, cookie stacking contests and other fun
- Heartwarming and thought-provoking stories from real people about how cookies have had meaning in their lives

- The history of Girl Scout cookies, fortune cookies, Oreos, Fig Newtons, and more of your favorites
- Special recipes allow you to not only experience the changes cookies have undergone over time, but also to replicate some your store-bought favorites at home
- Bright and fun and photos
- Stories about the cookie characters who have made cookies a national past time, such as the inventor of the chocolate chip cookie, Wally Amos, the woman behind Pepperidge Farms, and Betty Crocker.

Now you can win a copy this fun e-book (available for Nook, Kindle, or PDF) for yourself or to give as a gift. Entering this contest is super easy.

I like peanut butter cookies, so, at Christmas time, I make some and place a Hershey's kiss on top.

My favorite cookie to to share (oh do I HAVE to share them) are Molasses Cookies.
The recipe comes from my husband's grandmother and they are divine.

Here is the recipe – <http://www.hotcouponworld.com/2011/12/homemade-holiday-treat-molasses-cookies/>
