City breaks may well be the go to for a last minute weekend escape, but beach vacations maintain their popularity within the tourism market. According to statista.com, 52 percent of US adults in 2017 opted for beach vacations as their favorite type of getaway. Check out these best travel gadgets you must have.

Whatever the destination, it pays to prepare ahead of time with easy to pack beach essentials for your suitcase, starting with a **microfiber towel**. One challenge often facing beach goers is a lack of towels provided by hotels. These lightweight quick-drying **microfiber towels**, which take up no more space in your suitcase than a t-shirt, and you've got all the towels you need. They are also sand free and multi-purpose for other activities such as a beach blankets and picnic mat.

Must-Have Travel Gadget For The Beach – Aqua Socks

You definitely want to enjoy your time in the water, but if your destination isn't a smooth, sandy beach, you need something to protect your feet from stones or shells. Water shoes are heavy and take up a lot of packing space, so instead opt for these fun and light **aqua socks**. They dry quickly and comfortably hug your feet.

Mobile Gadgets – A Waterproof Cell Phone Case

You're not going to the beach without your cell phone, but you don't want to risk it getting wet or covered in sand. Bring along this **waterproof cell phone case** that allows you to use your phone while keeping it completely protected from any damage.

Jbl Waterproof Speaker – Best Quality Underwater Speaker

Whether you're chilling by the pool or are enjoying the beach, you've got to have music. This compact **waterproof Bluetooth speaker** gives you the soundtrack you need for a great time, without any chance of drowning it with an errant splash.

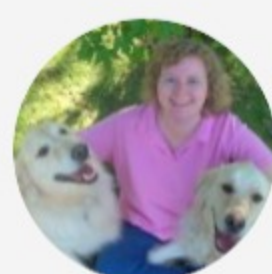

Safe Chair – A Beach Safe

The perennial problem at the beach is what to do with your phone, room key, cash, and other valuables while you're in the water or walking the sands. Problem solved. Bring along this small **portable beach chair safe** and never worry again about your valuables walking away. It attaches securely to your chair and opens with a combination you choose.

Fun in the sun is easier than ever when you stash these minimalist gadgets in your suitcase. Now you can relax and enjoy your vacation to the fullest with the best travel gadgets of 2018 and the best travel gadgets of 2019.
